

# QUICK COMPS - BABA YAGA SHAMAN

Masha approached the hut slowly. It was the strangest thing she had ever seen. It was a triangle shape and stood on giant chicken legs. These hopped from one foot to the other as she approached. There was a fence around it made from bones and topped with skulls.

Surely, Masha's mother was wrong! Surely her grandmother didn't live here! Then the door of the hut was opened. There was an old woman with wild, bushy hair. She had a hooked nose that was covered in warts. She grinned at Masha revealing black, crooked teeth.

"Hello dear," croaked the old woman, "My name is Baba Yaga Bony Legs!"
